When **We** are notified of a change, **We** will tell **You** if this affects **Your** policy, for example whether **We** are able to accept the change and if so, whether the change will result in revised terms and/or premium being applied to **Your** policy.

Please note that if **You** do not use reasonable care to answer **Our** questions correctly and accurately **We** or the **Insurer** may be entitled to:

- Cancel **Your** policy, refuse to pay any claim and in certain circumstances retain any premiums paid; or
- Refuse all claims but return premiums paid; or
- Revise the terms of the policy; or
- Reduce proportionately the amount to be paid on a claim.

Data Protection

It is a condition of this insurance that **You** and all other people covered by this policy read and accept the terms in this data protection notice. It is the responsibility of the **Policyholder** to ensure all other people covered by this policy have read and accepted these terms and conditions. This notice explains how **We** will hold, process and share **Your** personal data with selected third parties, insurers and reinsurers for insurance administration purposes and to detect and prevent fraud.

You must tell **Us** about any incident (such as an accident, fire or theft), whether or not **You** will make a claim. When **You** tell **Us** about an incident **We** will pass information about it to the **Insurer** and relevant agencies. **We** may search the databases held by those agencies when **You** apply for insurance or make a claim.

We and the **Insurer** may record phone calls **You** make to each of us and use the recordings to prevent fraud, for staff training and for quality-control purposes.

Insurance Administration

We will hold, process and share **Your** personal data with selected third parties, insurers and reinsurers for insurance administration purposes. **We** may transfer and process **Your** personal data in a destination outside the European Economic Area, subject to appropriate data safeguards, and by taking out a policy with **Us** **You** consent to this. **Your** personal data may also be disclosed to regulatory bodies for the purposes of monitoring and/or enforcing **Our** and the **Insurer's** compliance with any regulatory requirements.

In assessing any claims made, the **Insurer** may undertake checks against publicly available information (such as electoral roll, county court judgements, bankruptcy or repossessions). Information may also be shared with other insurers directly or via those acting for the insurers (such as loss adjusters or investigators).

In order to assess **Your** insurance risk or administer claims that arise, **We** and the **Insurer** may need to collect data that the Data Protection Act defines as sensitive (such as medical history or criminal convictions). By purchasing this policy **You** are giving **Your** consent to such information being processed by **Us**, the **Insurer** and their agents. With limited exceptions, **You** have the right to access and if necessary rectify information held about **You**.

At the request of many of **Our** customers, and to make managing **Your** insurance more convenient for **You**, it is **Our** policy to deal with **Your** spouse or partner who calls **Us** on **Your** behalf, provided they are named on the policy. If **You** would like to change this arrangement or would prefer **Us** to deal only with **You**, please call **Us** to let **Us** know.

We use a third party to securely store **Your** card details in accordance with industry standards. Unless **You** have advised otherwise **We** will use these card details to renew **Your** policy, process refunds and additional premiums due following changes to **Your** policy and to collect any charges and outstanding debt. In all cases **We** will advise **You** of **Our** intention to take payment and give **You** the opportunity to make alternative arrangements if necessary.

Motor Insurance Database

Information relating to **Your** insurance policy will be added to the Motor Insurance Database (MID) managed by the Motor Insurers Bureau (MIB). The MID and the data stored on it may be used by certain statutory and/or authorised bodies including the Police, the DVLA, the DVANI, the Insurance Fraud Bureau and other bodies permitted by law for purposes not limited to but including:

- Electronic Licensing;
- Continuous Insurance Enforcement;
- Law enforcement (prevention, detection, apprehension and or prosecution of offenders);

- The provision of government services and or other services aimed at reducing the level and incidence of uninsured driving.

If **You** are involved in a road traffic accident (either in the **UK**, the EEA or certain other territories), **Insurers** and/or the MIB may search the MID to obtain relevant information. Persons (including appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MID. It is vital that the MID holds **Your** correct registration number. If it is incorrectly shown on the MID **You** are at risk of having **Your Car** seized by the police. **You** can check that **Your** correct registration number details are shown on the MID at www.askmid.com. **You** should show this notice to anyone insured to drive **Your Car** covered under the policy.

Credit Searches

To ensure **We**, our **Insurers** and credit providers have the necessary facts to assess **Your** insurance risk, verify **Your** identity, prevent fraud and provide **You** with their best premium and payment options, **We**, the **Insurer** or the credit provider may obtain information from third parties at quotation, renewal and in certain circumstances where policy amendments are requested.

This information includes quotation searches from credit reference agencies who will conduct a credit search including full electoral roll, public information and previous search records. The credit reference agencies keep a record of that search, which may be visible to other credit providers. A search will be carried out on **Our** behalf by **Our** software house Cheshire Datasystems Limited (CDL) and will be recorded on **Your** credit report in CDL's name, however searches completed by **Insurers** or credit providers may show alternative names. **We**, the **Insurer** or the credit provider may also pass to credit reference agencies information **We** hold about **You** and **Your** payment record. Credit reference agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud. **We**, the **Insurer** or the credit provider may ask credit reference agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained. Where automatic credit scoring computations are used, acceptance or rejection of **Your** application will not depend only on the results of the credit scoring process.

Preventing and Detecting Fraud

Fraudulent claims are a serious problem for insurers and any costs arising from such activity are inevitably passed on to honest policyholders. In order to protect **Your** interests and the interests of the vast majority of **Our** policyholders, the **Insurer** will fully investigate all claims, and where fraud is detected may report to the authorities under the Proceeds of Crime Act 2002(POCA).

In order to prevent and detect fraud **We** or the **Insurer** may at any time:

- Share information about **You** with other organisations and public bodies including the police. It is **Our** practice to co-operate fully with the police authorities in the detection and prosecution of those involved in fraud.
- Pass information to the Claims and Underwriting Exchange Register, run by Insurance Database Services Ltd (IDS Ltd) and the Motor Insurance Anti-Fraud and Theft Register, run by the Association of British Insurers (ABI).
- Check and/or file **Your** details with fraud prevention agencies and databases, and if **You** give false or inaccurate information and **We** suspect fraud, **We** will record this.

The aim is to help Insurers to check the information provided and also to prevent fraudulent claims. When **Your** request for insurance is dealt with, the registers will be searched. Under the conditions of **Your** policy, **We** and the **Insurer** must be told about any incident (such as an accident or theft) that may or may not give rise to a claim. In the event of a claim the information **You** supply together with any other information relating to the claim, will be put on the register and made available to participants.

If false or inaccurate information is provided and fraud is identified, details will be passed to fraud prevention agencies. Law enforcement agencies may access and use this information. **We** and other organisations may also access and use this information to prevent fraud and money laundering, for example, when:

- Checking details on applications for credit and credit related or other facilities;
- Managing credit and credit related accounts or facilities & recovering debt;
- Checking details on proposals and claims for all types of insurance;
- Undertaking credit searches and additional fraud searches, such as a driving licence check.

We or the **Insurer** may keep certain documents, such as proof of no claims bonus, while **We** are awaiting payment of outstanding premium or administration charges. **We** will ensure that **You** have the documents **You** are required to have by law.

Please contact **Us** on 0844 800 8538 if **You** want to receive details of the relevant fraud prevention agencies. **We** and other organisations may access and use the information recorded by fraud prevention agencies in other countries.

PART 1

Legal Liability to Third Parties

WHAT IS COVERED

This policy covers **You** for all sums **You** become legally liable to pay for death of or injury to any other person and damage to any other person's property as a result of an accident involving **Your Car** detailed in the current **Certificate of Motor Insurance** and **Schedule**.

Subject to the conditions set out in the paragraph below, where **Your Certificate of Insurance** allows **You** to drive any other car, **Your Insurer** will indemnify **You** for death of or injury to any other person and damage to any other person's property as a result of an accident involving the **Other Car**. Note that there is no cover for loss of or damage to the **Other Car**.

This cover only applies if:

- **You** are the **Policyholder**.
- **You** are still in possession of **Your Car** insured under this policy.
- **You** are not a firm or company.
- The **Other Car** is not owned by **You** or hired or lent to **You** by **Your** employer or business partner.
- The **Other Car** is being used within the "limitations of use" shown in **Your** current **Certificate of Motor Insurance**.
- There is a current and valid policy of insurance in force for the **Other Car** being driven under this section of the policy.
- **You** are not entitled to make a claim for damage under any other insurance policy.
- **You** were driving the **Other Car** at the time of the accident and **You** had the owner's permission to do so.
- The **Other Car** is being driven in the **United Kingdom**.
- The **Other Car** being driven is registered in the **United Kingdom**.
- The **Other Car** has not been seized by, or on behalf of, any government or public authority.

The **Cover** under this part of your insurance applies whilst a **Trailer** or disabled mechanically propelled vehicle is attached to **Your Car**. Note that there is no **Cover** for loss of or damage to that **Trailer** or disabled mechanically propelled vehicle.

The **Insurer** will also give this **Cover** to:

- Any driver covered by **Your Certificate of Motor Insurance** and **Schedule** who is driving **Your Car** with **Your** permission.

- Legal services to defend anyone they insure in the event of proceedings being taken for manslaughter, reckless or dangerous driving causing death.
- Other costs incurred with the **Insurer's** prior written approval.

The **Insurer** will only pay these legal costs if they relate to an incident that is covered under Part 1 of this policy.

If **Your Certificate of Motor Insurance** includes business use, the **Insurer** will cover **Your** employer if an accident happens when **Your Car** is being used on business.

The **Insurer** will pay the NHS their cost in providing **You** with any Emergency Medical Treatment that they are entitled to recover under the Road Traffic Act 1988. If this is the only payment they make, it will not affect **Your** no claim discount.

WHAT IS NOT COVERED

The **Insurer** will not give **Cover**:

- Unless the person driving holds a licence to drive such a car, and held a licence to drive such a car at the time of any incident giving rise to the claim, and is not disqualified from holding or obtaining such a licence except when **Your Car** is being driven and a licence is not required by law.
- To anyone who is not driving **Your Car** if that person knows that the driver has never held a licence to drive it or does not hold a valid licence to drive or is disqualified from holding or obtaining such a licence at the time of an incident giving rise to the claim.
- To any person who is entitled to **Cover** under any other policy.
- To anyone who fails to comply with all of the terms and conditions of this policy in so far as they may apply.
- For death of or injury to any person arising out of and in the course of that person's employment by the person claiming under this part of the policy. The exception being where such liability is required to be covered by the Road Traffic Acts.
- For damage, loss of use or other loss to any car which is covered by this part of the policy or any property which **You** or anyone else driving **Your Car** owns or is responsible for.

These limits do not apply to claims occurring in other countries where the Territorial Limits part of this policy (Part 9) is operative, if the maximum liability required by law in that country is greater.

PART 2

Your Car - Fire, Theft or Attempted Theft

WHAT IS COVERED

The **Insurer** will pay for loss of or damage to **Your Car** and its accessories and spare parts while they are fixed to or in **Your Car** or in **Your** private garage, caused by fire, theft, or attempted theft. Loss of or damage to **Your Car** under this part of the policy is covered whilst **Your Car** is with a member of the motor trade for its upkeep, overhaul or repair.

If **You** advise **Us**, when reporting an accident to the Claims Helpline, that **Your Car** cannot be driven because of the loss or damage covered under this policy, the **Insurer** will arrange and pay for the cost of protecting **Your Car** and taking it from the scene of the incident to the nearest competent repairer. If **You** use a repairer recommended by the **Insurer**, **You** will be provided with a courtesy car whilst **Your Car** is being repaired. This will be subject to availability and is NOT available if **Your Car** is a total loss or for accidents occurring outside of the **United Kingdom**. After it has been repaired, the **Insurer** will arrange and pay for the cost of delivering it to **Your** address in the **United Kingdom**. **You** are of course permitted to use **Your** own repairer but **You** will need to submit repair estimates to the **Insurer** for authorisation, which may delay the progress of **Your** claim. The **Insurer** will retain the right to the salvage of a vehicle following a total loss for disposal in accordance with the Association of British Insurers code of practice.

The **Insurer** will replace **Your Car** with a new car of the same make, model and specification if:

- **You** are the first registered keeper of the car; and
- **Your Car** is under 12 months old at the time of the loss; and either
- **Your Car** is stolen and not recovered within 28 days of **You** telling the **Insurer** about the theft; or
- The damage estimated by the **Insurer** is more than 60% of the current **Market Value**.

If the **Insurer** does replace **Your Car**, **Your** old car will belong to them. If the exact model of **Your Car** is not available, the **Insurer** will pay **You** instead as shown in Part 4 of this **Policy Wording**, How claims are settled?

The **Insurer** will pay up to £150 for loss or damage to permanently fitted in-car entertainment equipment, after deducting **Your Excess**, which includes radios, tape and CD/DVD playing equipment, satellite navigation systems, telephones, televisions, games consoles and screens. If this equipment forms part of the original vehicle specification and was fitted by the manufacturer of **Your Car**, the amount of **Cover** is unlimited after deducting **Your Excess**. If **Your Schedule** shows that **You** have the iGO4 Essentials product the **Insurer** will not pay for loss of or damage to any audio or radio equipment fitted to **Your Car**.

WHAT IS NOT COVERED

The **Insurer** will not pay for any of the following:

- The **Excess** of each and every claim made under this part unless at the time of the loss or damage, **Your Car** was in a locked garage which has been subjected to forcible and violent entry or exit.

 - any window or any form of sliding or removable roof or hood has been left open or unlocked.

- **Your Car** is fitted with a security system and at the time of the loss the security system was not activated and working properly. All keys used to activate/deactivate the alarm/immobiliser fitted to **Your Car** must be submitted to your **Insurer** at their request when making a claim.
- Theft, or attempted theft, that involves somebody using deception or fraud to acquire **Your Car**.
- Any reduction in the value of **Your Car** as a result of it having been repaired.
- Any extra costs caused by the parts or replacements not being available in the **United Kingdom**.
- Confiscation, requisition or destruction by or under order of any Government, Public or Local Authority.
- Loss of or damage to **Your Car** arising from it being taken or driven by a person who was not an insured driver under the policy, but was a member of **Your** family or household, or any other person known to **You** unless **You** can prove that the driver intended to permanently deprive **You** of **Your Car**.
- Any increase in damage as a result of **Your Car** being moved under its own power following an accident, fire or theft, unless **Your Car** is causing an obstruction.
- The cost of any repair or replacement which improves **Your Car** beyond its condition immediately before the loss or damage occurred.
- Loss or damage caused maliciously or deliberately by any person driving **Your Car** with **Your** permission or agreement.
- Any loss or damage whilst **You**, anyone insured under **Your** policy, or anyone **You** give authority to, undertakes any form of repairs or improvements to **Your Car** who is not qualified to do so.
- Loss or damage to any **Trailer** or caravan whether or not it is being towed by or attached to **Your Car**.

 - Driving while unfit through drink or drugs, whether prescribed or otherwise.
 - Driving and fail to provide a blood, urine or breath specimen when required to do so, without lawful reason.
- Any loss or damage arising whilst **Your Car** is being parked by an employee of a hotel or restaurant or car parking service.
- Loss of or damage to any accessories and/or spare parts in or on **Your Car** resulting from theft if **Your Car** is not stolen at the same time.
- Any loss or damage if at the time of an incident, regardless of type, be that accident, fire, malicious damage or theft, **Your Car** is in an unsafe condition or is not roadworthy or, where such regulations require, does not have a current M.O.T certificate (**You** may be asked to provide details to show that **Your Car** was regularly maintained and kept in a good condition).
- Any storage charges unless **You** tell the **Insurer** about them and the **Insurer** agrees in writing to pay for them.
- Any loss of any kind directly or indirectly arising from the provision or delay in providing the services to which this policy relates, unless negligence on **Our** or the **Insurer's** part can be demonstrated. An example of this would be the loss of wages as a result of an insured incident.
- Personal belongings.
- Any amount above the cost (or in the case of a vehicle of foreign manufacture the sterling equivalent of the cost) of any parts or any accessories in or on **Your Car** according to the manufacturer's last published list price plus the cost of fitting such parts and/or accessories.
- Loss where property is obtained or attempted to be obtained by any person using any form of payment which proves to be counterfeit, false, fraudulent, invalid, un-collectable, irrecoverable or irredeemable for any reason.

- Any loss or damage to **Your Car** when driven by or in charge of anyone who does not meet all the conditions described in the **Endorsements** in **Your Schedule** and all the general conditions applying to the whole policy and other terms of this policy.

PART 3

Your Car - Accidental Damage

Your Schedule will show if this Part has been chosen

WHAT IS COVERED

The **Insurer** will pay for accidental or malicious damage to **Your Car**, its accessories and spare parts while they are fixed to or in **Your Car**, which is not caused by fire, theft or attempted theft. Loss of or damage to **Your Car** under this part of this policy is covered whilst **Your Car** is with a member of the motor trade for its upkeep, overhaul or repair.

If **You** advise **Us**, when reporting an accident to the Claims Helpline, that **Your Car** cannot be driven because of the loss or damage covered under this policy, the **Insurer** will arrange and pay for the cost of protecting **Your Car** and taking it from the scene of the incident to the nearest competent repairer. If **You** use a repairer recommended by the **Insurer**, **You** will be provided with a courtesy car whilst **Your Car** is being repaired. This will be subject to availability and is NOT available if **Your Car** is written off or for accidents occurring outside of the **United Kingdom**. After it has been repaired, the **Insurer** will arrange and pay for the cost of delivering it to **Your** address in the **United Kingdom**. **You** are of course permitted to use **Your** own repairer but **You** will need to submit repair estimates to the **Insurer** for authorisation, which may delay the progress of **Your** claim. At the **Insurer's** choice they will pay:

- The cost of repairing **Your Car**; or
- The cost of replacing **Your Car**; or
- The amount of the loss of or damage to **Your Car**.

The most the **Insurer** will pay is the **Market Value** of **Your Car** immediately before the loss or damage.

If **Your Car** is under a hire purchase or leasing agreement, the **Insurer** will pay off all outstanding finance to the owner named in the agreement and for the avoidance of doubt, if the amount of outstanding finance is less than the value of the vehicle, the **Insurer** will not pay **You** the balance.

When the **Insurer** has done this their responsibility under the **Contract** will end.

The **Insurer** will not pay more than the manufacturer's list price for any part or accessory (plus the cost of fitting).

If the **Insurer** settles the claim as a total loss, they can keep what is left of **Your Car** (the salvage).

Glass replacement/repair

If the **Insurer** replaces the glass via their approved glass repairer **Cover** is unlimited and **You** only pay the **Excess** shown in **Your Schedule**. If the **Insurer** repairs the glass via their approved glass repairer, **Cover** is unlimited and **You** do not have to pay any **Excess**. PART 9 Territorial Limits

Where Your Cover applies

The **Cover** shown on the **Schedule** applies throughout the **United Kingdom** and when **Your Car** is in transit within the **United Kingdom** or between ports in the **United Kingdom**. In addition, provided that **Your Car** is taxed, registered and normally kept in the United Kingdom, and You keep a permanent home in the United Kingdom, then this policy gives the minimum **Cover** required by law to use **Your Car** in:

- any country which is a member of the European Union (EU), or;
- any other country which the Commission of the European Union approves as meeting the requirements of Article (8) of the European Union Directive on Insurance and Civil Liabilities arising from the use of motor vehicles (No.72/166/EEC).

Countries include: Andorra, Austria, Belgium, Bulgaria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France (including Monaco), Germany, Gibraltar, Greece, Hungary, Iceland, Italy (including San Marino and the Vatican City), Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Republic of Ireland, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden and Switzerland (including Liechtenstein).

Note – The level of cover provided is the minimum level of cover required by law, it is not the same level of cover you receive when driving within the **United Kingdom** under this policy. Please call **Us** on 0844 800 8538 for any clarification needed.

The **Insurer** will also provide **Cover** while **Your Car** is being transported by rail, air, inland waterway, the Channel Tunnel or by a recognised sea route to any country where this insurance operates and the journey time does not normally exceed 65 hours.

If **Your Car** becomes undriveable as a result of loss or damage covered by this policy the **Insurer** will also pay the cost of delivering it to **Your** address in the **United Kingdom**.

The **Insurer** will also pay customs duty if **Your Car** is damaged and the **Insurer** decides not to return it to this country after **You** make a claim on **Your Contract**.

PART 10

Making a Claim

After any accident or incident **You** must call **Our** 24 hour Claims Helpline within 24 hours of the incident, ideally within 1 hour. This is regardless of whether **You** wish to make a claim under the policy or not. Delay in notification of an incident to **Us** may invalidate **Your** right to claim. To make a claim, or to report an incident which may result in a claim, call the 24 hour Customer Claim Line on: 0800 008 6709.

Six important points to help **You** after an accident:

- Make a note of the registration number of any vehicles involved, and any witnesses.
- Do not admit responsibility.
- Ask for the names, addresses and telephone numbers of all people involved including any passengers in the other vehicle and details of any property damaged.
- Take a photograph of the scene of the incident if it is safe to do so and **You** have a camera or a camera-phone.
- If anyone other than **You** is injured in the accident, **You** must show **Your Certificate of Motor Insurance** to the police. If **You** cannot do this at the time of the accident, take it to the police as soon as possible or within 24 hours.
- Draw a diagram of the scene showing the movement of the vehicles to illustrate the direction the vehicles have travelled, and their final positions. Note the road names and position of any witnesses, and any other relevant details to help **You** recall the incident.

Claims Conditions

You must:

- Send the **Insurer** any correspondence **You** receive (including any claim form or summons) without delay and unanswered.
- Tell the **Insurer** about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this policy.
- Not make any admission, offer, promise or payment without the **Insurer's** written consent. This applies to any person (or on behalf of any person) claiming under this policy.
- Co-operate fully with the **Insurer** on all matters concerning the handling and settlement of any claim.

The **Insurer** shall be entitled to conduct the defence or settlement of any claim and to instruct the solicitors of their choice to act for **You** in any proceedings. In circumstances where it is considered appropriate to do so the **Insurer** will be entitled to admit liability on behalf of **You** or any person claiming under the policy. Such admissions may be made prior to or after the commencement of proceedings in relation to any event likely to give rise to a claim under the policy. The **Insurer** will be entitled to take action, at their expense, to get back any payment **they** have made.

If **Your Car** is not driveable following an insured incident the **Insurer** may, subject to availability provide **You** with the use of a courtesy car.

Arbitration

If a claim has been accepted but there is disagreement over the amount to be paid, the **Insurer** may refer the matter to an arbitrator in accordance with statutory provisions. The arbitrator must decide on the amount before **You** can start legal action against the **Insurer**.

Right of recovery

The law of any country in which this **Contract** applies may make the **Insurer** pay amounts which are not covered by this **Contract**. **You** must repay these amounts.

If any claims or other monies are paid to **You** by mistake for any reason, or a claim has been paid which **Your Insurer** later finds to be fraudulent, false or exaggerated, **You** must repay the amount paid by them. **You** or the person who caused the accident must also repay **Your Insurer** any money they have to pay because of any agreement they have with the Motor Insurers' Bureau.

Fraudulent claims

If **You** or any other person knowingly makes a claim under this **Contract** that is false, fraudulent or exaggerated, the **Insurer** will not pay the claim, all **Cover** will end and no refund of premium will be allowed.

PART 11

No Claim Discount

If no claim has been made against this policy during the **Period of Insurance**, the **Insurer** will give **You** a discount according to the current scale at the time of renewal of this policy; this is sometimes referred to as a no claims bonus.

If the **Insurer** makes a payment in respect of a claim that they cannot recover from a **Third Party**, they will reduce **Your** no claim discount even if **You** were not to blame. **Your** no claim discount will be reduced in accordance with the **Insurer** scale applicable at such a time as shown on **Your Schedule**.

Your no claim discount will not be affected in the following circumstances:

- If **You** only claim for a broken windscreen or windows.
- If the **Insurer** only has to pay an emergency medical treatment fee.

You cannot transfer **Your** no claim discount to someone else.

Protected no claim discount

This will only apply if **You** have selected this option. Please see **Your Schedule** for details.

PART 12

Legal Proceedings

This insurance does not provide any cover for liability, costs or expenses in respect of any proceedings brought against **You** or judgment passed in any court outside of the **United Kingdom**, unless the proceedings or judgement arise out of **Your Car** being used in a foreign country, which **We** have agreed to extend this insurance to cover and the proceedings are brought and judgment is made in such country.

Governing law

We or the **Insurer** will not be liable for any proceedings or judgment made in any court outside the **United Kingdom**, unless the judgment comes from a court of a foreign country to which the **Insurer** has agreed to extend **Cover**.

Hire Purchase

If to **Our** knowledge, **Your Car** is subject to a hire purchase or leasing agreement, any payment will be made to the owner described in that agreement whose receipt will be a full and final discharge to **Us**.

- **Your Car** does not carry more than the permitted number of persons for **Your Car** to operate safely; and
- The passengers are not being carried as part of a business; and
- **You** do not make a profit from the total amount paid for the journey.

Imported Vehicles

If **Your Car** is defined by the Department of the Environment, Transport and the Regions (DETR) as a "personal import" or "very low volume" import and was imported from outside the European Union, insurance is provided on the understanding that **Your Car** conforms with the type approval regulations defined by the DETR effective at the time of importation to the **United Kingdom**.

In the event of **Your Car** being damaged beyond economical repair, or following theft where **Your Car** is not recovered, the basis of settlement of any claim under Part 2 or Part 3 of this policy will be **Market Value** of **Your Car** in the **United Kingdom** at the time of the loss or damage. The amount payable will not exceed the amount shown on the purchase receipt for the vehicle or the declared value, whichever is the lower.

Looking after Your Car

Your Car must be covered by a valid Department of Transport Test (MOT) Certificate if **You** need one by law. **You** must do all **You** can to protect **Your Car** and contents and keep **Your Car** in a safe and roadworthy condition. If **We** ask, **You** must let **Us** examine **Your Car** at any time. **You** or any insured driver must take all steps to protect **Your Car** from loss or damage by:

- Ensuring any security system fitted to **Your Car** is fully operational at all times when it is left unattended.
- Removing the ignition key or similar device and ensuring all doors, windows and other openings are closed and locked whilst **Your Car** is left unattended.
- Maintaining **Your Car** in an efficient and roadworthy condition.

If **You** do not do this, the **Insurer** may not pay a claim.

PART 13

Cancellation of Your policy

We reserve the right to cancel **Your Policy** at any time. **We** will provide you with no less than 7 days to re-arrange **Your** insurance and we will notify **You** of termination in writing via e-mail or letter, together with an explanation if appropriate. If **We** do not hear from **You** after 7 days **We** will write to **You** again and give **You** 7 days final notice. If payment is not received within this time frame, the policy will be cancelled and **You** will be required to pay the cancellation charge as detailed in **Our** terms and conditions document.

'Cooling off period'

You may cancel this policy within 14 days of the date of purchase or the date **You** received the policy documentation, whichever is later. Please call or write to **Us** and return **Your Certificate of Motor Insurance**. If **You** pay **Your** premium by instalments, cancellation of this policy will also operate to cancel **Your** credit agreement.

Where this happens **You** will receive a proportionate refund of the premium paid for the unexpired portion of the period of **Cover** less any agreed charges detailed in **Our** terms and conditions document, unless a total loss claim has been reported and then the premium in full must be paid.

We will also cancel any additional products **You** may have purchased alongside this policy, such as breakdown cover and legal protection.

Cancellation after the 'cooling off period'

- **You** have not claimed in the current **Period of Insurance**.
- **You** have paid the premium in full.
- **You** have returned the **Certificate of Motor Insurance**.

If **You**, **We** or the **Insurer** cancel this policy and there has been a claim during the current **Period of Insurance** no refund will be allowed. If the premium is being paid by instalments, the outstanding balance under **Your** credit agreement including any interest charges will become payable by **You**.
